Amount Per Serving

Huperzine A (*Huperzia serrata*) (aerial plant)

50 mcg

Vitamin E (as d-alpha tocopheryl acetate)

100 IU

Other ingredients: rice flour, gelatin, dicalcium phosphate.

Contains fish (cod, pollack, haddock, hake, cusk, redfish, sole, flounder) and soybeans. Contains rice. This product contains NO milk, egg, peanuts, crustacean shellfish (lobster, crab, shrimp), tree nuts, wheat, yeast, gluten, or corn. Contains NO sugar, and no artificial sweeteners, flavors, colors, or preservatives.

Dosage and Use

- Take one capsule daily on an empty stomach, or as recommended by a healthcare practitioner.
- Do not take more than four doses in a week, and do not use Huperzine A on a chronic basis.

Caution

If you suffer from seizure disorders, cardiac arrhythmias, asthma, or digestive disorders, avoid Huperzine A. Do not take this product if you are taking other acetylcholinesterase inhibitors such as Aricept or Tacrine. Because vitamin E inhibits blood clotting, consult your healthcare practitioner if you are taking anticoagulant drugs or have a bleeding disorder.

Warnings

- Keep out of reach of children.
- Do not exceed recommended dose.
- Do not purchase if outer seal is broken or damaged.
- If you have a bad reaction to product discontinue use immediately.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
