

## Metabolic Advantage Thyroid Formula

### 100 capsules

Item Catalog Number: 668

Metabolic Advantage Thyroid Formula combines high-quality thyroid tissue, the amino acid tyrosine, and synergistic trace minerals that must be present for endocrine gland functions, especially the thyroid.\* The thyroid gland needs iodine and L-tyrosine to produce hormones that control the body's metabolism.\* The trace minerals are involved with specific enzymes linked to endocrine glandular processes.

Supplement to be taken in conjunction with a healthy diet and regular exercise program. Results may vary.
