

Natural Relief 1222

2 oz

Item Catalog Number: 00698

Natural Relief 1222™ is a powerful, safe, and effective topical cream that has been shown to be beneficial against the discomfort associated with inflammatory conditions. Its active ingredient, Bryonia 6X, exhibits significant fluid-balancing activity.^{69,70} NFL professional football trainers and athletes have praised Natural Relief 1222™ as the most effective ointment to combat pain, stiffness, and injuries. The Banned Substances Control Group (www.bscg.org), at the recommendation & instruction of the USA Track & Field (www.usatf.org), has tested and approved Natural Relief 1222™ for use by elite athletes in the Beijing 2008 Olympics.

Dosage and Use

- Apply a small amount to the affected area(s) and gently massage into skin. If more is needed, reapply.
- Use up to four times per day.
- Can be applied before exertion or physical activity to reduce after-activity soreness.
- User may experience a mild cooling or warming sensation a few minutes following application.
- Periods of relief may be short at first, but will increase with time and regular usage. Continued use is recommended for chronic conditions.

Caution

If condition worsens or symptoms persist for more than seven days, discontinue use of product and consult a physician. Do not use this product if you are hypersensitive to any of the ingredients. Keep this and all drugs out of reach of children. For external use only. Avoid contact with eyes.

Warnings

- Keep out of reach of children.
- Do not exceed recommended dose.
- Do not purchase if outer seal is broken or damaged.
- If you have a bad reaction to product discontinue use immediately.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
