

Sytrinol™**60 softgels**

Item Catalog Number: 00674

Reducing triglyceride and low-density lipoprotein (LDL) levels is an effective, well established strategy for maintaining a healthy heart/cardiovascular system.^{87,88} Unfortunately, the statin drugs, while effective, also have side effects that understandably compromise patient compliance.

Sytrinol™ is an important option to help maintain a healthy cholesterol level in those already within normal range.*

The health benefits of the citrus polymethoxylated flavones contained in Sytrinol™ have been demonstrated in clinical studies⁸⁹⁻⁹⁴
