

URGENT ANTI-CODEX HEALTH FREEDOM ALERT

From:

Rob Verkerk, PhD, Exec Dir of the Alliance for Natural Health,
Suzanne Harris, JD from The Law Loft and
John Hammell, President, International Advocates for Health Freedom

WHY IMMEDIATE HELP IS NEEDED & WHAT YOU CAN DO

DO THREE INTERLOCKING EVENTS IN NOVEMBER SIGNAL THE END OF HEALTH FREEDOM? (1)

The answer is **YES- UNLESS** you **ACT NOW** to help **ANH, The Law Loft,** and **IAHF FIGHT BACK** with urgently needed **DONATIONS:**

In the article by Suzanne Harris, JD of The Law Loft (1), you'll find complete documentation which **proves** that the World Trade Organization (WTO) has the legal authority to force the United States (and all countries) to harmonize their domestic vitamin laws to a grossly restrictive international standard. ***This is no longer a matter of conjecture.***

You'll see **HARD EVIDENCE** that Codex is following the same path as the European Union (EU) in developing **SEVERELY RESTRICTIVE** potency levels for vitamins, minerals and all other dietary supplements. (10 mg for Vitamin B-6, 40 mg/ day for Riboflavin, 17 mg/day for Niacin, etc. They're working with the World Health Organization (WHO) to do this. WHO has a comments deadline of **December 10th on Nutrient Risk Assessment** (2)

PR CAMPAIGN MUST BACK ANH'S WHO SUBMISSION: HELP NEEDED

ANH will be filing comments that we can all get behind, but **NEEDS URGENT DONATIONS for a PR Campaign** to accompany their submission - otherwise we won't be able to apply ANY pressure on WHO which will just **IGNORE** their submission and go with the recommendations of the National Academy of Sciences, the EU's counterpart, and the English Expert Group on Vitamins and Minerals.

The fraudulent agenda of these three groups has been exposed by Alan Gaby MD in his article ***Safe Upper Levels for Nutritional Supplements- One Giant Step Backward*** (3)

WHY WE NEED REGULAR MONTHLY DONATIONS

Suzanne Harris, JD of the Law Loft needs donations to assist in writing a **BOOK** about **CODEX** that is **BADLY NEEDED** to awaken the sleeping dietary supplement industry, alternative practitioners and consumers in order to trigger the global PR campaign necessary to kill ratification of the Codex vitamin standard next July in Rome. Harris is the world's foremost legal expert on Codex-see (1) below.

Harris needs backing to hire legal experts and coordinate an assessment of our legal options against FDA which has been violating current US law in their action at Codex meetings..

ANH needs donations for their all important lawsuit to overturn the EU Food Supplement Directive, a law which is scheduled to severely restrict access to dietary supplements in the EU next year. We've documented the connection between the EU FSD and **CODEX.** (1)

ANH, The Law Loft and IAHF need donations for expenses related to **EMERGENCY PUBLIC SPEAKING** so as to sound the **ALARM** before its **TOO LATE...**

By the end of the week we'll have finished editing the **DVD video** of the ***Emergency Anti Codex Health Freedom Program*** we presented at ACAM on November 17th. We'll send it to you for a donation of just \$15. or more, but **PLEASE** pledge to donate **REGULARLY** on a **MONTHLY BASIS** throughout the coming **YEAR** and help us sound the alarm! ANH, The Law Loft and IAHF are acting in concert to create a broader coalition to stop **CODEX** dead in its tracks. Donations sent via IAHF will be dispersed equally to ANH and The Law Loft.
