

Fine Line-Less

1 oz

Item Catalog Number: 80107

Dermatologist's Corner

Renowned dermatologist Gary Goldfaden, M.D., has developed novel solutions for the most common skin problems encountered by maturing adults. Based on extensive clinical testing, these formulas are designed with potent antioxidant tea extracts (red, green, and white) to correct specific areas of concern, such as the appearance of darkness and puffiness under the eyes, fine lines, rough skin, loose skin, and more.⁶¹⁻⁷⁰ These products can be used in conjunction with any other skin treatments or products. They are specially formulated exclusively for Life Extension®.

This hyaluronic serum formulation restores maximum hydration around the eyes while mini-mizing the appearance of creases and fine lines. Fine Line-Less uses a natural, oil-free, moistu-rizing base that is best absorbed after facial exfoliation. It can be used daily by all skin types.

References

Ingredients

Distilled Water, Hyaluronic Acid, Concentrated Tea Blend Extract

Dosage and Use

- Can be used daily, preferably after exfoliation routine.
- May be used in conjunction with any other skin treatments or products.
