

## Essential Plant Lipids Reparative Serum

### **Healing · Sensitive & Dry Skin · Hypo-Allergenic**

**1 oz**

Item Catalog Number: 80108

#### *Dermatologist's Corner*

Renowned dermatologist Gary Goldfaden, M.D., has developed novel solutions for the most common skin problems encountered by maturing adults. Based on extensive clinical testing, these formulas are designed with potent antioxidant tea extracts (red, green, and white) to correct specific areas of concern, such as the appearance of darkness and puffiness under the eyes, fine lines, rough skin, loose skin, and more.<sup>61-70</sup> These products can be used in conjunction with any other skin treatments or products. They are specially formulated exclusively for Life Extension®.

Essential Plant Lipids Reparative Serum is a fragrance-free, preservative-free complex of plant-derived lipids fortified with potent antioxidant tea extracts. This super reparative moisturizer is excellent for sensitive skin, allergy-prone individuals, and extremely dry skin. It is also recommended for minimizing scar formation from surgical procedures, and in the healing process of skin involved in peels and laser procedures. It is safe for frequent use.

#### References

#### Ingredients

Cyclomethicone, Octyl Cocoate, Dimethicone, Glycoceramides, Ceramides, Cholesterol, Concentrated Tea Blend Extract
