

Under Eye Refining Serum

Darkness · Puffiness · Fatigue

1/2 oz

Item Catalog Number: 80113

Dermatologist's Corner

Renowned dermatologist Gary Goldfaden, M.D., has developed novel solutions for the most common skin problems encountered by maturing adults. Based on extensive clinical testing, these formulas are designed with potent antioxidant tea extracts (red, green, and white) to correct specific areas of concern, such as the appearance of darkness and puffiness under the eyes, fine lines, rough skin, loose skin, and more.⁶¹⁻⁷⁰ These products can be used in conjunction with any other skin treatments or products. They are specially formulated exclusively for Life Extension®.

Under Eye Refining Serum smoothes and softens skin, and helps minimize under-eye puffiness and darkness. It contains an active complex of soy and rice peptides, yeast protein, hyaluronic acid and seaweed extract — targeting bags and circles. Soy and rice bran peptides help skin retain its natural firmness and minimize puffiness. Oxidoreductases and potent antioxidants help diminish the appearance of creasing around the eyes.

References

Ingredients

Purified Water, Hyaluronic Acid, Seaweed Extract, Oxido Reductases, Soy Peptide, Hydrolyzed Rice Bran Extract, Concentrated Tea Blend Extract.

Dosage and Use

- Place two to three drops on fingertips and massage into target area.
- Apply day or night, or as frequently as needed.
