Dermatologist's Corner

Renowned dermatologist Gary Goldfaden, M.D. has developed novel solutions for the most common skin problems encountered by maturing adults. Based on extensive clinical testing, this formula is designed with potent antioxidant tea extracts (red, green, and white) to correct specific areas of concern, such as darkness and puffiness under the eyes, fine lines, rough skin, loose skin, and more.⁴³⁻⁵³ This product can be used in conjunction with any other skin treatments or products. They are specially formulated exclusively for Life Extension.

The Healing Mask is a gel-based formula that calms, soothes, and reduces redness while hydrating and moisturizing. The regenerative, rebalancing, and protective properties of the Healing Mask make it perfect for use after laser, microdermabrasion, or aggressive products that may be needed for treatment such as tretinoin and glycolics. Notable specialty ingredients include aloe vera, hyaluronic acid, copper, squalene, arnica, and concentrated antioxidant tea blend extract.
