

## Natural BP Management

### 60 tablets

Item Catalog Number: 00984

Groundbreaking nutritional research has identified natural agents that can help to maintain normal blood pressure levels already within normal range. Combining these nutrients with lifestyle modifications, pharmaceuticals, and regular self-monitoring provides a powerful strategy.

Natural BP Management is the first broad-spectrum nutritional supplement to combine potent, standardized concentrations of these novel nutritional agents in one convenient, easy-to-use formula:

- **CVH 15™** derived from whey protein, naturally inhibits angiotensin converting enzyme. Since this enzyme can act to increase activity of the dangerous blood vessel constrictor angiotensin, the peptide's inhibiting effect on this enzyme can help to maintain already normal blood flow and blood pressure.<sup>62</sup>
- **Grape seed extract** naturally increases blood vessel dilation, thereby promoting healthy blood flow and blood pressure already within the normal range.<sup>63,64</sup> Available for the first time is a patented grape seed extract that contains a novel ratio of uniquely structured polyphenols.<sup>65,66</sup>
- **Pomegranate extract** is an abundant source of highly concentrated compounds called punicalagins that function as natural antioxidants<sup>67</sup> and also inhibit angiotensin converting enzyme,<sup>68</sup> thus supporting blood vessel dilation and countering vessel constriction. This patented extract not only supports blood pressure management, but also may provide added cardiovascular protection by promoting healthy endothelial function and inhibiting low-density lipoprotein (LDL) oxidation.<sup>69</sup>

### Supplement Facts

Serving Size 2 tablets

Servings Per Container 30

#### Amount Per Serving

CVH 15™ whey protein hydrolysate (biologically active peptide)	1700 mg
MegaNatural®-BP Grape Seed ( <i>Vitis vinifera</i> ) Non-GMO Extract [std. to 85% Total Phenolics as Gallic Acid Equivalents (127.5 mg)]	150 mg
POMELLA® Pomegranate ( <i>Punica granatum</i> ) Extract (fruit) [std. to 30% Punicalagins (15 mg)]	50 mg

Other ingredients: calcium carbonate, croscarmellose sodium, microcrystalline cellulose, stearic acid, hydroxypropyl methylcellulose, magnesium stearate, silica, propylene glycol, triacetin.

Contains milk. Contains corn. This product contains NO egg, fish, peanuts, crustacean shellfish (lobster, crab, shrimp), soybeans, tree nuts, wheat, yeast, gluten, or rice. Contains NO artificial sweeteners, flavors, colors, or preservatives.

MegaNatural®-BP is a registered trademark of Polyphenolics, a division of Constellation Wines US, Inc. and is produced under U.S. patent 6,544,581, other patents pending.

POMELLA® is a registered trademark of Verdure Sciences, Inc.

CVH 15™ is a trademark of Glanbia PLC.

## Dosage and Use

- Take two tablets in the morning preferably before a meal, or as recommended by a healthcare practitioner.
- If needed, take two additional tablets in the evening.
- If advised by a healthcare professional to take this product concurrently with anti-hypertensive medication, start with one tablet daily and adjust only under the continued care of a healthcare practitioner.

## Caution

If you have hypertension (high blood pressure) and/or are currently taking medication to lower your blood pressure, seek medical advice before taking this product. Consult with a healthcare professional prior to taking or using any product that may affect blood pressure. CVH whey protein hydrolysate is naturally derived from the milk protein whey; therefore, individuals with dairy allergies should avoid using this product.

## Warnings

- Keep out of reach of children.
- Do not exceed recommended dose.
- Do not purchase if outer seal is broken or damaged.
- If you have a bad reaction to product discontinue use immediately.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
