

7-Keto® DHEA Metabolite

100 mg, 60 vegetarian capsules

Item Catalog Number: 01271

7-Keto® DHEA is the form of DHEA that has been shown to confer fat loss benefits in a placebo-controlled human study.¹⁵⁻¹⁸ 7-Keto® DHEA is a natural metabolite of DHEA that has been shown to safely increase thermogenesis, improve fat loss and help maintain healthy body weight when combined with a diet and exercise program.¹⁵⁻¹⁷ Recent clinical studies indicated that 7-Keto® DHEA increases the resting metabolic rate of overweight adults.¹⁸ 7-Keto® DHEA may improve memory retention.¹⁹ Antioxidants are added based on the effect 7-Keto® has in boosting mitochondrial oxidation.

Supplement to be taken in conjunction with a healthy diet and regular exercise program. Results may vary.

7-Keto® is a registered trademark of Humanetics Corporation.

Dosage and Use

- Take one capsule upon waking and one capsule before midday meal, preferably on an empty stomach, or as recommended by a healthcare practitioner.
- DHEA serum blood tests are suggested three to six weeks after initiating DHEA supplementation to optimize individual needs.

Caution

Studies suggests that 7-Keto® does not convert to testosterone or estradiol, as can DHEA. However, no research to date has evaluated 7-Keto's® effect on hormonally dependent conditions such as prostate cancer.

Warnings

- Keep out of reach of children.
- Do not exceed recommended dose.
- Do not purchase if outer seal is broken or damaged.
- If you have a bad reaction to product discontinue use immediately.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
