

Whole Grape Extract Standardized Resveratrol, Grape Seed, and Red Wine Polyphenols

60 vegetarian capsules

Item Catalog Number: 01091

Life Extension's Whole Grape Extract has been reformulated to provide even higher levels of standardized proanthocyanidins found in grape seed and skins than in the previous formula. These proantho-cyanidins and flavonoids are rapidly absorbed and distributed throughout the body, helping to eliminate free radicals while supporting healthy collagen. This is of particular importance in protecting the underlying supporting structure of the skin.

Unlike competitive products that contain only proanthocyanidins, this blend also provides standardized resveratrol and a whole red wine polyphenol extract.

Supplement Facts

Serving Size 1 capsule

Servings Per Container 60

Amount Per Serving

Vitamin C (as calcium ascorbate) 100 mg

Calcium (as calcium ascorbate) 20 mg
