

Welcome to the Life Extension Events.

Life Extension Events provides information on seminars, conferences and other happenings in the fields of nutrition, health and wellness. In conferences that attract a wide audience from all corners of the globe, Life Extension's Events calendar keeps members up to date on seminars periodically at the Life Extension Nutrition Center on such subjects as vitamins, nutritional health supplements and anti aging supplements. This page often as new items are posted frequently.

Upcoming Events

November 18-22, 2009 **The Gerontological Society of America (GSA)**

62nd Annual Scientific Meeting
 The Hilton Atlanta and Atlanta Marriott Marquis
 Atlanta, Georgia

GSA's Annual Scientific Meeting brings together more than 3,500 of the brightest in aging. This meeting is the premier gathering of gerontologists from both the United States and the world. They participate in over 400 scientific sessions including symposia, paper presentations.

The theme for GSA's 62nd Annual Meeting is "Creative Approaches to Healthy Aging". This topic reaches across all of GSA's disciplines and embraces the interdisciplinary nature of its membership - challenging each of us to look at the goals of our work somewhat differently.

- The Exhibit Hall features over 100 exhibitors from a variety of organizations including publishers, academic institutions, government agencies and pharmaceutical companies.
- GSA offers the opportunity for presenters to receive a number of prestigious academic awards including the Donald P. Kent Award, the Kleemier Award, and the Maxwell A. Pollack Award.
- Over 40 special Interest Groups meet during the annual meeting to network and discuss issues around a particular issue in aging.
- The GSA Emerging Scholar and Professional Organization (ESPO) plans numerous activities and programs for students and junior faculty.
- GSA offers Continuing Education Credits

April 15-17, 2010

A4M World Anti-Aging Congress & Exposition

Orlando, Florida

This spring, the world's leading anti-aging experts will gather in Orlando to convene the largest and most influential conference and expo worldwide on preventative medicine and biomedical technologies!

This conference is your opportunity to:

- Connect with 3000 + peers on the latest hot-button anti-aging issues;
- Learn about the most recent advancements and technologies from leading experts
- Source cutting edge products from 300+ exhibitors
- Get ahead of your competition in this booming segment of the healthcare market.

If your profession even remotely relates to advanced preventative or anti-aging medicine, you won't want to miss this conference.

Who should attend:

- medical professionals
- physicians (primary care and specialists)
- scientists
- medical technology and equipment suppliers
- educators
- journalists
- industrialists and investment bankers

To learn more or register call 1-888-997-0112 or visit <http://www.worldhealth.net/orlando/>

October 16-17, 2010

Yes, We Can ... Think Outside the Box - A Symposium on Science-Based Medicine

Fort Lauderdale, Florida

MDs, NDs, DOs, PAs, RNs, PharmDs, PDs, holistic hypnotherapists, chiropractors, oriental medicine practitioners and anyone else interested in optimal health through integrative medicine are invited to attend our 3rd annual symposium on science-based medicine!

- Presenters are preeminent in their fields.
- Protocols were never covered in traditional medical schools.
- Topics are provocative, insightful, filled with practical applications.
- And continuing education credits are part of the package!

Come learn from other skilled health professionals. Explore nontraditional, science-based methods and treatments. Learn about the political ramifications of an integrative/alternative medical practice. Find out how to integrate nutraceuticals and natural products into your practice

\$599 Full tuition (for CME) up to 16 credits

\$399 Early discount: Pay by December 31, 2009 and save \$200

\$199 Consumer (only) discounted rate (non-CME)
