

Belly Slim & Tone

6 fl oz (177.42 ml)

Item Catalog Number: 01040

Trimming and toning belly fat becomes more difficult with age, and yo-yo dieting can stretch skin and lead to sagging. This novel topical preparation helps reduce the appearance of subcutaneous fat while firming loose abdominal skin.

Belly Slim & Tone has two lipo-active extracts. The first, a marine extract called *Sphacelaria scoparia*, is derived from special algae called sea broom, studied for its ability to inhibit the growth of fat cells. The second is Xantagosil C® that contains a synergistic combination of non-toxic organic silicon and a xanthic base (similar to the caffeine and theophylline found in green tea). These extracts work in tandem to help produce results comparable to the effects of vigorous exercise. They are complemented with caffeine, which works locally to help reshape a more refined belly contour.

Belly Slim & Tone also contains Chlorella, an extract derived from the green algae *Chlorella vulgaris*, which is rich in amino acids and proteins — and Regu®-Stretch, an active complex that helps the appearance of skin stretched beyond its limits. Both help skin look firmer and more toned.

The active ingredients in Belly Slim & Tone are encased in QuSome® liposomes, an advanced delivery technology that ensures optimal distribution of ingredients.

Supplement Facts

Ingredients: Water, Acefylline Methylsilanol Mannuronate (Xantagosil C®), Isopropyl Palmitate, Glycerin, Caprylyl Methicone, Glyceryl Stearate, Cetearyl Alcohol, *Sphacelaria scoparia* (Algae) Extract, *Marrubium vulgare* Extract**, *Chlorella vulgaris* (Algae) Extract, Panthenol**, Tocopheryl Acetate, Palmitoyl Tripeptide-5**, Caffeine, Sodium Benzoate, PEG-12 Glyceryl Distearate, PEG-23 Glyceryl Distearate, Dipropylene Glycol, Polysorbate 60, PEG-100 Stearate, Xanthan Gum, Ammonium Acryloyldimethyltaurate/VP Copolymer, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol.

Dosage and Use

- After showering, towel dry and massage lotion gently into the belly area.
- Apply twice daily.

Caution

For external use only. Keep out of reach of children. Avoid contact with eyes. If product contacts eyes, rinse thoroughly. Do not use on irritated skin. For people with sensitive skin, test in a small area before using. If irritation occurs, please discontinue use and contact a physician. If pregnant or nursing, ask a health professional before use.

Warnings

- Keep out of reach of children.
- Do not exceed recommended dose.
- Do not purchase if outer seal is broken or damaged.
- If you have a bad reaction to product discontinue use immediately.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
