

DMAE Powder (37% DMAE)**100 grams**

Item Catalog Number: 00022

DMAE is known to stabilize cell membranes.^{130,131} Cell membrane degradation has been proposed as one of the prime mechanisms of normal aging.¹³² DMAE is a precursor to choline and acetylcholine.¹³³⁻¹³⁷ It is the choline inside cells that is converted to phosphatidylcholine, used in the building and repair of cell membranes, especially in the brain.^{138*}
