

Rejuvenex Body Lotion

6 oz tube

Item Catalog Number: 00448

Aging causes adverse effects to every skin cell in the body,^{31,32} but commercial body lotions do little more than prevent moisture loss. The Rejuvenex® Body Lotion, on the other hand, provides the best agents known to science to promote healthier looking skin. In addition to moisturizing agents, Rejuvenex® Body Lotion provides:

- Antioxidant vitamins and melatonin
- Ginkgo extract to help protect and soothe
- Topically applied nucleic acids (RNA & DNA) clinically proven to reduce the appearance of creases

Rejuvenex® Body Lotion offers a myriad of benefits that help improve the appearance of the skin. Yet, it costs less than high-priced commercial products.
