Medical Updates review studies that are of importance to those seeking an extended life span. The complete scientific abstracts for these studies are available as a special service to Life Extension Foundation members. If you read here about new studies you want to learn more about or want to show to your doctor, send a self-addressed, stamped envelope to the Life Extension Foundation, P.O. Box 229120, Hollywood, FL 33022, USA. Please enclose a small donation (minimum \$1, please) to cover the costs of copying and processing. Or access the complete Scientific Abstracts online.
